

LITTLE SLUGGERS

MINI CAMPS FOR AGES 6 to 9

The " Little Sluggers " camps are designed to assist young ball players with the fundamentals of the game. The program teaches the young players the proper form and techniques of hitting, fielding, throwing and catching. Sirious Baseball is excited to instruct the kids at an age before bad habits are formed. Your ball player will learn and sure to have a great time with the Professional Sirious Staff members. Sign up for a four session camp. Camps are run on Mondays from 4:00pm-5:00pm

(We do not accept walk ups and must be on our list)
